

# Endicott Interconnect Technologies, Inc. Names Matrix USA Inc. Supplier of the Year

**Thursday October 15, 2009, Endicott, New York**—Endicott Interconnect Technologies, Inc. (EI) today named Matrix USA Inc. as their SUPPLIER OF THE YEAR. Each year, this award is granted to the Supplier who demonstrates the most excellent track record for Product Quality, Delivery and Supply Chain Resourcefulness.

“Demonstrating near flawless execution, Matrix serves as an integral part of the supply chain by providing next generation, high performance materials in support of our PC fabrication business,” stated Jennifer de Souza, VP Supply Chain Management at EI.

“Matrix is honored to receive this award and is delighted to be part of EI’s Supply Community. A special mention should go to the Matrix Operations Associates who perform consistently day-after-day”, says Ed Healy, CEO of Matrix USA. “Led by Panasonic’s Megtron 6 Laminate System, Matrix now supplies EI with a variety of key PWB raw materials on a JIT basis. As Panasonic’s exclusive North American Value-Added Distributor, we are committed to bringing these HSSL PWB Substrate technologies to each of our North American customers.”

## About Matrix USA Inc.

Committed to the motto, “Quality Products, Dependable People”, Matrix was established in 1977 with the objective of providing quality raw materials to the North American Printed Circuit Board Industry. Matrix has four rapid-response warehouses located throughout the US and Canada that fulfill high quality, fast delivery, and custom orders daily.
