### **Matrix Welcomes Baudilio Fernandez Monday August 4<sup>th</sup>, 2008**

Matrix is pleased to announce the addition of Mr. Baudilio Fernandez as Product Manager for Imaging Products. Mr. Fernandez will assume the responsibilities of Sales and Service for Dupont Imaging Products for the Company.

Mr. Fernandez comes to Matrix with many years of experience in the PWB Industry and has complete knowledge of imaging and chemistry processes. He is ready to help any customer with yield improvements in their Dry Film and Imaging Departments.

“We have conducted a thorough search for someone to fill this strategic position and are delighted that Mr. Fernandez has accepted this position. With Bau’s background in Photo-tool processes, the Company will continue to help our customers meet the fine-line and resolution challenges of the PWB Industry”, said Edward Healy, President.

Bau can be contacted at :

Office : 905-670-8400  
Cell : 416-918-3699  
Email : [bfmd123@.rogers.blackberry.net](mailto:bfmd123@.rogers.blackberry.net)

Matrix has been a Value-added Distributor to the North American Printed Circuit Board Industry since 1977. Over recent years, Matrix has setup warehousing and conversions facilities in Midwest and Western USA.
