EMS007 is the most comprehensive news source for industry professionals working in the Global Electronics Manufacturing Services industry. EMS007 is the Electronics Manufacturing Services Industry news leader.

"Everbright Dims Nepron China's Luster" by Steve Gold

Column: The Gold Record. Though Reed Exhibitions increased attendee value by strengthening its SMTA educational partnership, its exhibition efforts were hindered by a sub-par convention center, headache-inducing decibel rates, and a lack of new technology introductions.

Matrix USA Inc. and Allen Woods & Associates form Strategic Partnership

Thursday, May 03, 2007 | Matrix USA

Matrix USA Inc. is pleased to announce that it has formed a Strategic Partnership with Allen Woods & Associates, Inc. As of June 1, 2007, Allen Woods will be the Exclusive Marketing and Sales Partner for all Matrix Products including Panasonic High Performance Laminates. Allen Woods will Service and Support the US Midwest from their two strategically located stocking warehouses.

Kieran Healy, President of Matrix USA Inc., said: *"This completes our North American sales organization with strategic partnerships in all US and Canadian regions. We are delighted to be affiliated with such a reputable organization as Allen Woods & Associates."*

Contact Allen Woods & Associates at 847-806-4000 to discuss your Printed Circuit Board material requirements. For more information on Allen Woods & Associates, please visit their website at www.allenwoods.com.

To view the entire Matrix product offering, please visit our website at <http://www.matrixusa.us/>. (Panasonic, Kingboard, and Holley Laminates, Jinzhou Drills/Routers, Backup/Entry, and Hakuto Equipment). Contact our Head Office with your inquiries : 1-800-668-5447, 1-866-8MATRIX.
