Matrix Electronics Announces Promotion, New Hire

Monday, April 6, 2009 | Matrix Electronics

Matrix Electronics announces the promotion of Philippe Yee to Manager for Imaging and Chemical business unit. Yee is a chemistry graduate from Concordia University and has been with the company for 10 years.

Matrix also announces the hiring of Beaudilio Fernandez as Technical Service Manager for the ICD unit, reporting to Yee.

About Matrix

Matrix was established in 1977 with the objective of providing quality raw materials to the North American PCB industry. Today, the company has five rapid-response warehouses located throughout the U.S. and Canada, and 38 associates ready to serve customers' JIT requirements. At Matrix, the motto is simple: "Quality Products, Dependable People." For more information, visit <http://www.matrixusa.us/index.htm>.
